

CFSC Election Profiles for 2012-2014

	<p>Jim Archbold As a board member, I started as club secretary and was soon ask to be the treasurer. This position has been extremely enjoyable as I am involved with the club's money at the shows and meetings. I really enjoy the action at the club meetings collecting dues and auction money, and paying the bills. I am running for a board position again as I do care about making good decisions and policy for our stamp club. I have and would work well with all board members. I would serve again as treasurer or in another slot.</p>
	<p>Robert Dowrick While serving on the board the last two years as Operations VP, I have headed the Central Florida Fair booth and participated in the registration area at all of our local shows. During our meetings, I help with the auctions and would like to continue serving the club and look forward to the opportunity if elected.</p>
	<p>Francis Ferguson I have been a club member since March of 2000 and have been involved in many aspects of the management of the club. In addition to handling the monthly quizzes & newsletter, I am the FLOREX General Chairman, and run three smaller shows during the year. I have served two complete terms as President and most of a third term; it is time for me to step back. I will continue to serve the club on the BoD, but wish to hold another post on the BoD.</p>
	<p>Phillip Fettig I have been a collector for 59 years and a dealer for 32. Since 1983, I have been continuously involved in various leadership roles in stamp shows of all types, the Florida Stamp Dealers Association and this club. I feel this experience, along with the willingness to help in any way I can, qualifies me to continue serving our club.</p>
	<p>Robert Fisher Stamp collecting is a hobby that encourages personal growth, spiritual fulfillment, education, enlightenment, research opportunities, and discipline all at once, and on a bunch of small scraps of paper. Members of our stamp club enjoy the fellowship and sharing that are part and parcel to stamp collecting. As a member of the board, I would like to increase this shared joy by encouraging members to expand their horizons (and collections) with more programs of varied subject themes. There is always something new to learn (even with US postage).</p>

Josh Furman

I have served enthusiastically on your Board of Directors and attended every board meeting during my term(s). I have never shied from voicing my opinions on issues, always trying to keep the best interests of the club in mind. As a team player I have acted in concert with the other board members and have always abided by majority decisions.

If re-elected I vow to keep the best interests of the club in mind, and serve to the best of my ability.

Newton Kulp

As a relatively recent new member of the club and a potential new member of the Board I may be able to bring new ideas and approaches to the Board. Over the approximate 25 years that I have collected stamps I have been a member of three other stamp clubs and have observed what they did right and wrong. I hope these experiences will then benefit our club. During the past year I have coordinated the sale of donated materials which has netted the club over \$1000 and helped out in other areas as I have been able. As a now retired person I have the free time to continue to serve the club.

Stephen Patrick

C.F.S.C. #239, member since 1979; A.P.S. #133999 27 years; lifetime M.E.P.S.I. #1867; Past President of The Florida Postal History Society; Vice President of the Souvenir Card Collectors Society # 1397; and ESPER member #666.

Twice a month, my Thursday night date is with the stamp club. I always learn something new, and I get to know some great people. I wish to continue serving you on the board in any useful way I can. My goals are a growing membership, great educational programs, good auction material, continued leadership in Central Florida philately, fellowship, and fun.

Randall Priest

I have been a member of the Club since 1995. I have served on the board before and have been the Youth Coordinator for the last 10 years. My main focus has been to work with youth to help them understand just what it means to be a 'Stamp Collector'. I have not been able to accomplish this without the help of the many members who have offered their time and talents. I would like to continue as the club Youth Coordinator. Thanks for you support.

David Zambon

With 50+ years experience of postage stamp collecting, I think I can bring new ideas to the Central Florida Stamp Club (CFSC) as a participating member on the Board of Directors (BOD). Planning, Organizing and Team Work are some of my best skills. If elected to the CFSC BOD, I promise to do my best for the club and its members.
